**BRICK Fun Day!**

Once again we had a fantastic turnout for this event! The school looked great, sounded great and felt great! A very big thanks to the band of Mum’s and Dad’s who came along to help out. The canteen was the place to be and the ‘Chicken and Sweet Corn Soup’ came highly recommended by the crowd. I believe the ‘Hot Dogs’ were pretty good also! Thanks to Stacey and her band of merry helpers again for the big effort.

Caz and Sean are fantastic coordinators of this event and without their expertise and deep interest this day would not be possible, so a very big thanks to you both and your kids for all you do. I had the great pleasure of being in the library, the exhibition rooms and the creative play area and all I saw and heard were positive comments about our school, students and what fantastic parents we have. Well done to everyone! Pat yourselves on the back, you deserve it!

**Last day of Term 2 is this Friday!**

Your children have worked really hard this term and deserve a great holiday, so spoil them, let them sleep in and enjoy their company. They come back to us here at school on Monday 13th July!

**Change of routine… SDD’s**

In order to send the whole staff to further Professional Learning we will be changing the remaining School Development Days from Day 1 - Term 3 – 13th July and last day Term 4 – 18th December to Week 5 - Monday and Tuesday 10th and 11th August. Please ensure you mark this down on your calendar. I will have weekly updates and reminders between now and then.

**Happy Harold Van…**

Dear Parents,

Life Education NSW is a not for profit community-based organisation that relies heavily on fundraising within the community to assist in meeting the shortfall left after receiving minimal assistance from Government funding.

The sale of Harold merchandise to the children whilst the program is visiting each school supports the fundraising activities of local committees and all proceeds support Life Education within each local area. These products help to remind children about the messages delivered to them during their Life Education session and have either a picture of Harold or the Life Education logo on them.

The educator will provide the opportunity for children to purchase these products during the school visit. Please provide the correct money in an envelope with the item written on the face of the envelope along with your child’s name and class. This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit.

Due June 23rd
