**Interrelate!**

On Monday 7th September the P&C will host two sessions of this fantastic program. The sessions will last for 1 hour each and be presented in the school library.

The aim of the first session is to help children Years 3-6 years gain an understanding of the reproductive system in a very informal way. The program is designed to start the conversation between parents and children in a safe and constructive way.

The second session is for Years 5&6. There will be frank and open discussions about puberty and the physical and emotional changes which are about to take place. Again it is about beginning the conversation between parents and children.

Years 3-6 are encouraged to attend the first session at a cost of $25.

Years 5&6 are encouraged to attend both sessions at a cost of $30 per family for both.

When I was at Corrimal Public School we got several maths kits and some great Lego robotics kits for the classrooms. So please tell all your Mums, Dads, Nans and Pops that we need their help, shop at Woolies and save the stickers for us! Send them to school or there is a Farmborough Road box at the Unanderra Woolies.
