I would like to take this opportunity to say that I was so proud to be part of the Farmborough Road school community today. The effort that was shown from all the teachers, SASS staff and children was so great. The feeling that I felt in the hall today was one of pride and gratitude that everyone would put so much effort into something so that our children can experience something different. I really enjoyed today and you should be proud of the wonderful staff you have at Farmborough Road Public School. What a fantastic idea it was to expose the children to something as wonderful as this.
